

1.) Any student that missed first lecture should view the video in the PSU reserve library, as the first lecture was an important overview of material to be covered this term.

2.) CD containing the NN simulator software will be handed out on Monday. Please bring receipt showing that your Lab Fee has been paid. There will be a form to sign in which you agree to respect the intellectual property rights of NeuralWare/Aspen Technology.

3.) Please bring check made out to PSU in amount of \$80 for your second textbook -- an electronic version is being burned onto the same CD as the software.

4.) Reminder re.OFFICE HOURS:
